Blink & You Will Miss It

Great Location

Looking for a great looking home with loads of benefits including the location being walking distance to Station Square shopping centre, local schools and public transport. This well maintained 3 bedroom home boasts solar power, lock up garage with attached carport and fully fenced yard.

The air-conditioned lounge room is central in the house with character features of fretwork above the doorways, high ceilings and VJ timber walls with a mix of hardwood and pine timber flooring throughout. A galley style kitchen works well with the separate dining area being at the front of the house plus a utility area at the back of the house off the large family bathroom with spa bath.

Downstairs is as neat as a pin with being re-stumped, fully concreted and enclosed with laundry and 2nd toilet and loads of storage or kids play space. This house needs a new owner to make it their own home as the owner has committed elsewhere. Don't delay your inspection as this property will not last long on the market.
