Definitely One For The Family

Ideal Acreage Lifestyle!

This is a unique property and the owners are not coming home so the search is on for a new family to call this house, their very own. There is plenty of space for the largest of families, so come and see for yourself with double lock up garage, remote door and internal access to the house. Featuring 4 large bedrooms, 3 with walk-in robes plus a separate office with plenty of built-in storage. The main bedroom boasts an extra large walk-in robe and the ensuite features a spa bath and separate shower.

The real bonus is having multiple living areas 4 in total, with the children having their own little retreat separate from the rest of the house, you, and they, will just love it. The expansive games room can house the largest of pool tables for you to enjoy countless hours of family fun. This opens out onto the covered entertainment and pool areas which will get its fair share of use. The designer kitchen is the centre of the house with stone bench tops and all the modern conveniences you would expect in a home of this standard.

The current owners have ensured that the man of the house hasn't been forgotten and you will be well looked after with a shed 'to die for'. You can house all the toys, and I mean ALL the toys and then some, including boat and or caravan. The shed also has its own power, shower and loo with an additional large carport off the side.
