Modern Twist On An Old Fav

Great Little Nestor

So much to offer you without the huge price tag and everything has already been done, so you can just move in, relax and enjoy life. This once older style home has been brought into the 21st century with a perfect renovation, yet still retaining some of the charm of yesteryear.

You will be surprised what this home can offer you, with its welcoming front entrance. If you are looking to downsize for retirement, buying your first property or looking for an investment opportunity, this home has it all. This 3 bedroom home has beautiful hardwood timber floors, modern kitchen with walk-in pantry giving you plenty of storage space. The separate dining room opens out through the French doors onto the rear deck, a great place to relax and watch the kids or grandkids play in the back yard. The spacious laundry can double as an office with room for more than just the washing machine.

The back yard is fully fenced and has a double lock up garage with extra workshop area and a fully concreted driveway with plenty of room to add more improvements if required. To top it all off it is in a great location of Tinana on a 720sqm corner block, close to all amenities. Blah! Blah! Blah! No need for me to go on, just come and inspect for yourself.
