Am I Not Pretty Enough?

Come Make Me Whole Again!

I know that I don't look like much from the outside but isn't it what's on the inside that counts? If you take the time and view what I have on offer you may very well be surprised by the space I can provide you with, both inside and outside. Sitting on a good size 812sqm flood free block in Granville, close to amenities and only minutes from the Maryborough CBD with parkland and sporting fields nearby.

I am offering you the opportunity to have a 3 bedroom home plus office with a good size main bathroom, ripe for the renovation plus a separate toilet off the laundry. My open plan living space includes a good lounge area with a separate dining space and large kitchen. If you have the imagination and the elbow grease to bring me back to the much loved home I have been, then you must inspect. There is no denying I need a full re-vamp and I have served my owner well throughout my 35 years and I will be sorely missed warts and all.

So the opportunity is yours to take and I would advise that you need to inspect as the price is right for the astute buyer who has the vision to see what I can be, or you may just miss out. Don't just do a drive by as that is simply not going to cut it, an inspection is the only way for you to appreciate what I have to offer.
